**THIRD INTERIM APPLICATION FOR ALLOWANCE OF COMPENSATION AND
EXPENSES OF THE RECEIVER AND MURTHA CULLINA, LLP**

Mark G. DeGiacomo, (the “Receiver”) hereby files, on behalf of himself and his law firm Murtha Cullina, LLP (together referred to herein as the “Applicant”), this Application pursuant to this Court’s Order dated October 9, 2019 and the Billing Instructions for Receivers in Civil Actions Commenced by the U.S. Securities and Exchange Commission (the “Billing Instructions”), seeking compensation in the total amount of \$49,430.40 for services rendered from April 1, 2019 through June 30, 2019 (the “Application Period”). This amount is 80% of the time incurred during the Application Period. No expenses were incurred during the Application Period. Per the Receiver’s agreement with the SEC, the remaining 20% of fees will be held back until the filing of a Final Fee Application.

In support of this Application, the Receiver states as follows:

1. On June 28, 2018, the plaintiff, Securities and Exchange Commission (“SEC”) filed a Motion to Appoint a Receiver (Dkt. No. 423) of defendant Biochemics, Inc. (“Biochemics”) and its related party, the Shareholder Resolution Trust.

2. On October 9, 2018, the Court entered an Order (Dkt. No. 452) granting the SEC's Motion and appointed the Receiver (the "Receiver Order"). The Receiver's services commenced that day.

3. The Receiver Order requires that "[t]he Receiver shall assume control of all Receivership Assets." Receiver Order ¶ 5. "Receivership Assets" are defined by the Receiver Order as "all property of whatever kind and wherever situated, of defendant Biochemics, Inc., as well as property of the Shareholder Resolution Trust in which the Commission has first-priority security interests." Receiver Order ¶ 1

4. On October 25, 2018, this Court entered an Order allowing the Receiver's Motion to Employ Murtha Cullina, LLP as his counsel.

5. Paragraph 57 of the Receiver Order provides as follows:

Within 45 days after the end of each calendar quarter, the Receiver and Retained Personnel shall apply to the Court for compensation and expense reimbursement from the Receivership Assets (the "Quarterly Fee Application").

6. This is the Applicant's Third Interim Fee Application.

7. On March 5, 2019, this Court entered an Order approving the Receiver's First Interim Fee Application which sought fees in the amount of \$80,181.60 and reimbursement of expenses in the amount of \$665.51.

8. This Court has scheduled a hearing to take place on September 5, 2019 concerning the Receiver's Second Interim Fee Application which seeks fees in the amount of \$66,999.60 and reimbursement of expenses in the amount of \$54.36.

9. The following information is attached to this Application:

Exhibit A:	SEC Standardized Fund Accounting Report
Exhibit B:	Certification of Receiver
Exhibit C:	Summaries of Administration
Exhibit D:	Time Records
Exhibit E:	Summary of Time

10. The Receiver has collected the amount of \$441,305.23 (the “Funds”) and is holding a \$100,000 deposit on a possible Asset Purchase Agreement (the “Deposit”). The Funds were turned over from the District Court Registry and the Deposit was transferred from Biophysics Pharma, Inc., a possible purchaser of Biochemics’ intellectual property (“BPI”). All amounts are being held in an interest bearing account. No amounts have been disbursed other than to pay the Receiver’s approved First Interim Fee Application. The Funds are unencumbered. To the best of the Receiver’s knowledge, no administrative expenses have accrued (other than those sought by this Application).

11. Pursuant to the authority granted by this Court on October 25, 2018, the Receiver employed Verdolino & Lowey (“V&L”) as his accountants.

12. On March 5, 2019, this Court entered an Order approving the Receiver’s Motion seeking to employ Sunstein, Kann Murphy & Timbers, LLP and Nields, Lemack & Frame, LLC, as special intellectual property counsel (the “IP Firms”).

13. V&L has done little or no work as of the date of this Application and the IP Firms are being paid by BPI.

14. A list of creditors was supplied to the Receiver by Biochemics. On November 2, 2018, this Court entered an Order approving the Receiver’s Motion to Limit Notice. In accordance with that Order, all known creditors were advised that, if they forwarded a request to the Receiver, they would be served with all filings made by the Receiver with this Court.

15. The claims filing and review procedure has not begun. It is anticipated that the claims filing and review procedure will start once the Receivership Assets, including the Intellectual Property, are liquidated at which point it will be clear if any dividend will be available to general unsecured creditors.

16. Summaries of the work done by the Applicant during the Application Period are attached hereto as Exhibit C.

17. At this early point, the Receiver is unable to predict when this case will close.

18. The fees and expenses sought by this Application were incurred in the best interests of the fair distribution of the Receivership Assets.

19. With the exception of the Billing Instructions, the Applicant has not entered into any agreement, written or oral, express or implied, with any person or entity concerning the amount of compensation paid or to be paid from the Receivership Assets, or any sharing thereof.

20. At this point the Receiver has determined that this estate holds the following assets:

<u>Asset</u>	<u>Value</u>
Intellectual Property	Unknown
Registry Funds ¹	\$360,649.84
Trusted funds in Rosewood case	\$4,145.03
Deposit	\$100,000.00

21. The Receiver is currently investigating what (if any) claims he holds against third parties.

¹ The original amount turned over from the Registry Fund, was \$441,305.23.

WHEREFORE, the Receiver requests an Order authorizing the payment of compensation in the amount of \$49,430.40 for services rendered in this matter from April 1, 2019 through June 30, 2019.

Respectfully submitted,

/s/ Mark G. DeGiacomo
